

# SCHOOL SUPPLY PANTRY

THE UNIVERSITY CHURCH - Reynolds Elementary School

BUILDING ACADEMIC SUCCESS - BUILDING HEALTHY CHILDREN -  
BUILDING STRONG COMMUNITY

Annual surveys of K-12 teachers show that, on average, teachers spend a little over \$500 per year on classroom supplies from their salaries. The School Supply Pantry helps offset this financial burden by providing school supplies at no cost to teachers at three elementary schools through a collaboration between four churches.

The School Supply Pantry is open from 3 - 5 p.m. on the second Wednesday of the month.

Teachers from Reynolds, Hawkins and Keyser Elementary Schools receive supplies from the pantry.

The University Church (partnered with Reynolds Elementary School), Grace Church (partnered with Hawkins Elementary School), and Epiphany Lutheran Church together with Epworth United Methodist Church (partnered with Keyser Elementary School) stock and staff a School Supply Pantry located on the campus of Grace Church that provides classroom supplies to teachers at each partner school. We serve 70 teachers and 975 students within the three schools.

Twice a year, the School Supply Pantry provides "classroom care packages" containing tissues, hand soap, disinfectant wipes, and other care products to each classroom in the partner schools. When Christmas is close, the School Supply Pantry provides "Christmas in a Bag" to each classroom, containing everything that is needed for a classroom Christmas party, along with a treat bag for each student.

Our School Supply Pantry is supported by the four churches involved, and individual donors like you. You can help by donating supplies from our School Supply List:
