## Help us to complete our Sacred Grounds garden pathway.

Please help us in our 2020-2021 brick fundraising campaign. Contribute \$50 to our campaign and choose your text to engrave on a 4 × 8 brick for the garden pathway.

We hope our new native plant prayer garden will provide an accessible space for quiet prayer and reflection, meditation and for the appreciation of native flowers. We aspire to bring the garden and church communities together to enjoy God's wonderful creations. Please consider having a permanent reminder of your contribution and generosity by donating an engraved brick for our pathway.
